

3 — Complete Layout

Aleshwaram Rahul · Portfolio Build · Full section-by-section spec, palette & copy

Palette (achromatic only)

Background	#000000	True Black
Card surface	#1A1A1A	Licorice
Card border / rule	#262626	Dark Charcoal
Primary text	#FFFFFF	Absolute White
Secondary text	#E8E8E8	Gainsboro White
Muted text / captions	#8a8a8a	(tinted grey, text only)

Typography system

- **Display headings** (Hero name, section titles): bold sans, halftone dot-fill texture, per Images 5/6.
- **Section labels** ('01 / About' etc.): dot-matrix / LED style per Images 1/2/4, small, wide letter-spacing, uppercase.
- **Serif intros** (About, Experience): elegant serif, used sparingly next to the portrait, per the LOURVE reference.
- **Body copy**: Inter, weight 300–400, generous line-height (1.6–1.7).

01 — Hero

Reference: 'DRAMA OWNS' screenshot

Layout

- Nav bar: name mark top-left, Home / About / Skills / Projects / Experience / Contact, top-right theme toggle style icon (decorative, site is dark-only).
- Oversized bold name 'ALESHWARAM RAHUL' spans full width behind the centred halftone portrait, split so the portrait sits between the first and last name.
- Small caption row under the portrait: role tagline on the left, 'Based in Hyderabad, India' on the right.
- Social icons bottom-left (GitHub/LinkedIn — add real links), contact shortcut bottom-right.

Content (from resume)

- Name: Aleshwaram Rahul
- Role: Software Developer — Full-Stack, Java & Node.js
- Location: Hyderabad, Telangana, India

Background / motion

- No background video (kept clean per your rule).
- `cursor-driven-particles-typography.tsx` renders the role tagline as scatter/reassemble particle text beneath the name.

02 — About

Reference: LOURVE museum site clip

Layout

- Two columns: serif summary paragraph on the left with a thin vertical rule to its right; cropped halftone portrait on the right.
- Below the paragraph, 3 stacked fact blocks in the LOURVE style (large stat line + one-line caption): Role, Location, Core focus.

Content (from resume)

- Paragraph: adapt the resume's Professional Summary (full-stack web development, backend microservices, AI-driven workflow automation; Java/Spring Boot, Node.js/React, PostgreSQL/MySQL/SQLite).
- Fact 1 — 'Full-Stack Developer' / Java, Spring Boot, Node.js, React
- Fact 2 — 'Hyderabad, India' / Open to remote & on-site roles
- Fact 3 — '4 shipped projects' / HR platform, e-commerce, AI pipeline, library system

Background / motion

- `halftone-trail.tsx` mounted as the only motion — cursor leaves a dissolving halftone dot trail across this section. No page-background video here.

03 — Skills

Reference: OPTIMIND clip

Layout

- Section label '03 / Skills' top-left in dot-matrix type, short intro sentence to its right.
- 3-column card grid, one card per skill group, each with a small glowing dot-icon pulled from the icon sheet (waveform / globe / target-style glyphs).

Content (from resume)

- Languages — Java, JavaScript (ES6+), TypeScript, SQL, HTML5, CSS3
- Backend & Automation — Spring Boot, Spring MVC, Node.js, Express.js, Hibernate, REST APIs, Supabase Edge Functions, GoTrue SMTP, node-cron, Google Gemini API
- Frontend — React, Next.js, Vite, Tailwind CSS, Recharts, Lucide React
- Databases & Media — PostgreSQL (Supabase), MySQL, SQLite, Sharp, Node Canvas
- Developer Tools — Git, GitHub, Postman, Maven, IntelliJ IDEA, VS Code
- Core Concepts — OOP, Data Structures & Algorithms, System Design, SDLC

Background / motion

- gateway-flow-bg.tsx (canvas flow-lines) layered with bg-camera-cursor.html (parallax + cursor glow) as the page background — this pairing continues through every section below.

04 — Projects

Reference: 'INSIDE' Squid-Game mockup clip

Layout

- Bento-style grid — one large featured project tile + three smaller tiles, each project shown inside a laptop-mockup frame.
- Hovering a tile reveals the tech-stack tags and a short description overlay.

Content (from resume)

- NexusHR (WorkforceOS) — RBAC admin/employee portals, onboarding, leave workflows, real-time attendance, Supabase Auth SMTP. Stack: React 18, TS, Vite, Tailwind, Supabase.
- Glowora Skincare — responsive e-commerce SPA + a Java static HTTP server for the build. Stack: Java 25, React 18, Vite 5, Tailwind.
- JoyBoyJutsu — autonomous AI media pipeline scraping content, Gemini-generated copy, node-canvas carousel rendering, Instagram auto-publish. Stack: Next.js 16, React 19, Node.js, Gemini API, SQLite.
- Library Management System — RBAC library app with Spring Security/JWT. Stack: Java, Spring Boot, React, MySQL.

Background / motion

- Same gateway-flow + camera-cursor background pairing continues.

05 — Experience & Education

Reference: Notosan clip

Layout

- Numbered sections, serif headline per entry, thin dash-prefixed detail lines underneath, a slim rule between entries.

Content (from resume)

- Experience — Equitron Medica Private Limited, Hyderabad · Trainee Engineer – Customer Support · Dec 2024 – Jul 2025 · troubleshooting client equipment, maintenance logs, cross-functional communication.
- Education 1 — St. Peter's Engineering College · B.Tech Electrical & Electronics · 2022–2025.
- Education 2 — TKR College of Engineering & Technology · Diploma EEE · 2019–2022.
- Education 3 — Sri Vijaya Sai High School · SSC · 2019.
- Certifications — NSIC Solar PV Systems & Automation internship; MultiSim Live circuit analysis workshop; HIEE Empowering Engineers technical workshop.

Background / motion

- Background pairing continues; motion stays subtle behind the numbered list.

06 — Languages & Availability

Small supporting card — globe used as a widget here, not a background

Layout

- A compact card beside or below the Experience section holding the interactive globe widget (premium_interactive_world_globe.html) at a fixed size, with a language list beside it.

Content (from resume)

- English — Professional Working Proficiency
- Telugu — Native Proficiency
- Hindi — Full Professional Proficiency

Background / motion

- Globe runs inline/self-contained inside its card; page background keeps running behind it.

07 — Contact

Closing page

Layout

- Centred closing headline ('Let's build something'), contact details, and social row.
- This is the only section using the particle-wave file as a background.

Content (from resume)

- Email: aleshwaramrahul@gmail.com
- Phone: +91 7674885265

- Location: Hyderabad, Telangana, India

Background / motion

- `cinematic_particle_wave.html` as the full-section background, replacing the gateway-flow pairing for this section only.
